Summer Vacation Homework 2026-2027

Instructions

- Please ensure that you complete each homework assignment on separate sheets of paper to facilitate easy grading and assessment.
- Do not use your regular class notebooks or workbooks for winter homework. This helps in keeping your regular coursework and these special assignments distinct.
- Use charts and colorful papers to add visual appeal to your assignments. This not only makes the homework visually engaging but also demonstrates creativity.
- Using any external help (neither from tuition teachers nor anyone else) is acceptable. Resist the urge to seek external help; this helps foster self-reliance and a better grasp of the concepts.
- The winter homework holds significance, contributing to 10% of your year-long grades.
- Do not use a calculator in Mathematics

براه کرم اس بات کو یقینی بنائیں کہ آپ ہر ہوم ورک اسائنمنٹ کو الگ الگ شیٹس پر مکمل کریں تاکہ اس کی جانچ اور گریڈنگ میں آسانی ہو۔

- اپنے عمومی کلاس نوٹ بکس یا ورک بکس کو موسم سرما کے ہوم ورک کے لیے استعمال نہ کریں۔ اس سے آپ کے معمول کے کورس ورک اور ان خاص اسائنمنٹس میں فرق برقرار رہے گا۔
- اپنے اسائنمنٹس میں چارٹس اور رنگین کاغذات کا استعمال کریں تاکہ یہ نہ صرف دیکھنے میں دلکش ہوں بلکہ آپ کی تخلیقی صلاحیت کا بھی مظاہرہ ہو۔
- کسی بھی بیرونی مدد (ٹیوشن ٹیچرز یا کسی اور کی مدد) کا استعمال قابل قبول نہیں ہے۔ بیرونی مدد لینے سے گریز کریں؛ اس سے خود انحصاری کو فروغ ملتا ہے اور آپ کے تصورات کو بہتر طریقے سے سمجھنے میں مدد ملتی ہے۔
- موسم سرما کے ہوم ورک کی اہمیت ہے اور یہ آپ کے سالانہ گریڈز میں 10% تک شامل ہوگا۔
- ریاضی میں کیلکولیٹر کا استعمال نہ کریں۔
